

Baker River Watershed Association

Membership funds support water quality testing and reporting, river cleanups, and watershed protection advocacy. The Baker River Watershed Association is comprised solely of volunteers, and your entire contribution is used to support the Association's projects and programs. We appreciate your support!

To join or renew your annual membership, please complete the form and mail it as addressed below with a check made payable to: Baker River Watershed Association.

Baker River Watershed Association is a 501(c) (3) organization recognized by the United States Internal Revenue Service. All donations are tax deductible within the context of the law.
